DESCRIPTION

The Los Angeles County Public Defender Law Clerk Program introduces select students to the operations of the Office, the court system and related agencies in the criminal justice system. Law Clerks are mentored by experienced criminal defense attorneys who provide them with a real life, educational experience.

Law Clerks assist Deputy Public Defenders with a wide range of projects. Law Clerks are given the opportunity to observe and participate in client interviews, case strategy meetings and court proceedings. Law Clerks may complete research and writing projects, including briefs, investigation requests and motions to be filed in court. They may also accompany the attorneys to jail interviews and attend public defender training sessions.

Law Clerks may be exposed to misdemeanor, felony, juvenile and appellate law practice.

Post Bar Law Clerks only may obtain certification from the state bar and appear on the record in limited circumstances under the supervision of an experienced attorney.

All Los Angeles County Public Defender Law Clerks are unpaid volunteers.
